129 Groundwater Rd, Southside

QUIET RETREAT

This spacious home has open plan living, 2.7m high ceilings and was built in 1985. A local builder built the home using passive solar sustainability design principles.

With 3 bedrooms and 2 bathrooms plus 2 living areas this home was made to be efficient. There are numerous outdoor sitting areas which are all very private. House faces true north on the lot to maximise sunlight in winter. Cross ventilation with louvre windows in main living area and central clerestory. Full insulation under roof panels and in ceiling, fully ducted air-conditioning for extreme cold/hot days only.

3 bay carport

Salt water fibreglass pool with 'safety shelf' around perimeter for child friendly use.

** Note **

The property has been purchased as a subdivision and will be developed in time
